Sponsorship
Real Grace for Women is made possible through the support of many volunteers and funding sponsors. With ongoing expenses, sponsors are always in need. Annual contributions will provide funds for:

- Training facilitators in a nationally-recognized support program.
- Cover administrative costs.

We realize sponsorship funds can be given to countless worthy organizations and to show our appreciation to our sponsors, Real Grace for Women will recognize our supporters within the community through our marketing materials. A tax-free contribution is a great way to support your community while gaining valuable community recognition at the same time. Please consider being a sponsor—to just one woman, it may make a world of difference.

Did you know...

...abandonment?

...anger?

...there are countless women in this world, in the United States, in New Hampshire, in your community who have suffered at the hands of others. Statistically, one out of every four women has suffered abuse. Others have suffered abandonment and loss. Chances are you, or someone you know, may be part of this startling statistic. While we realize we may not be able to change the statistic, we have a vision to change the future for the those who live in our community.

...frustration?

...betrayal?

...fear?

There are times in life when you really need a safe place...a place where struggle and pain can be shared; a place where hope can be restored.

...there is Hope.

Safety

Real Grace for Women is a faith-based organization designed to guide women who have been wounded and abused along the path of healing. Our desire is to create a safe place where struggle and pain can be shared; a place where hope can be restored. Our hope is to help and aid women who've been wounded by abuse and other losses caused by broken trust, poor responses, betrayal and/or abandonment.

In a confidential and small group setting, women will discover restoration through a 12-18 week facilitator-led journey.
